

## Description

QUIZIT is a trivia game divided into several categories to challenge your knowledge!

How to play:

- Start a new game
- Select your favorite category
- Answer the 10 questions in the shortest time
- The more correct answers in a row, the more points you get!

You can choose from the following categories:

- Geography (Countries, capitals, flags...)
- Entertainment (Movies, music, artists...)
- History
- Art and Literature (Books, paintings...)
- Science and Nature
- Sport and Leisure (Football, gastronomy, board games...)

Want more than one category? No problem! You can choose the random mode so your game has a bit of everything ;)

MULTIPLAYER:

Play against your friends or random opponents and show you are the best!

STATISTICS:

Quizit shows a set of statistics for you to stay on track of your performance in the game and always try to improve your maximum!

FRIENDS:

You can also compete against your friends (Login with Facebook) or other players via the online leaderboards, so you can show what you got!

NO TIMER MODE:

Play with no time limit to relax and share knowledge with family and friends.

TIMED MODE:

In this game mode you have limited time to answer each question. Your challenge is to be the fastest.

You're still not convinced?

- A pop quiz game to have fun and learn with the whole family. Not to be missed.
